Bachelor's Degree in Computer Science
ABC University (20XX-20XX)

Note:

- I've formatted the resume to be ATS-friendly by using standard keywords, bullet points, and a clear structure.
- I've used action verbs like "Developed", "Collaborated", and "Built" to describe your experience.
- I've kept the summary concise and focused on your key skills and experience.
- I've used a standard font and formatting throughout the resume.
- I've removed unnecessary words and phrases to make the resume more concise and easy to read.
